

October is Manufacturing Month

Recruiting in a Pandemic World

Supporting the Critical Role of Manufacturers

In today's world the EMPLOYER is the one who must chase talented candidates. If you are a manufacturer and having a difficult time finding qualified people to hire back to work due to the ever changing COVID restrictions, this webinar is for you!

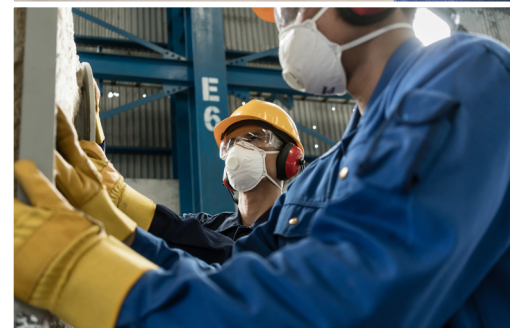

Topics that will be covered:

- The New Way of Recruiting
- The Cost of Recruiting New Talent
- Employers' Pain Points
- The "Contact Trifecta"

Thursday, October 14

10:00 - 11:00 AM

FREE for Alameda County Employers!
