BOARD OF SUPERVISORS

Serving the County of Alameda
and the cities of
Alameda Albany Berkeley
Dublin Emeryville Fremont
Hayward Newark Livermore
Piedmont Pleasanton
San Leandro Union City

DECEMBER 13, 2018
MEETING NOTICE

Thursday, December 13, 2018
9:00 AM – 12:00 Noon
Eden Area Multi-Service Center
24100 Amador Street, 2nd Floor
California Poppy Rooms A & B (#225 & 226)
Hayward, CA

AGENDA

I. PROCEDURAL ITEMS

A. Call to Order and Roll Call
B. Minutes of September 13, 2018 - ACTION
C. WDB Chair Report
D. Committee Chairs’ Report
E. Director’s Report

II. PUBLIC FORUM

The public can address the Board on issues other than those on the agenda. Members of the public who wish to address the Board on published issues should do so at the time the agenda item is being discussed.

III. PRESENTATION – Dr. Leroy M. Morishita, President of California State University, East Bay

IV. ACTION ITEMS – PUBLIC HEARING

A. Retroactive Approval of Local Area Performance Goals for PY 2018/2019 and PY 2019/2020
B. Update to Annual Budget – 2018/2019

V. REPORTS

A. Local Area Performance Reports
   A.1. Adult and Dislocated Worker Local Area Performance Reports
   A.2. Youth Local Area Performance Reports
B. Adult and Dislocated Worker Reports
   B.1. Services to Unemployed Relative to Labor Force Participation within the Local Area
   B.2. Contract Performance Indicators Reports
C. Youth Reports
   C.1. Youth Contract Performance Indicator Reports
D. Rapid Response and Layoff Aversion Reports
   D.1. Rapid Response Report

VI. INFORMATION ITEMS

A. Prison-to-Employment Initiative
B. Advanced Manufacturing Day at Chabot and Laney Colleges
VII. MATTERS INITIATED BY BOARD MEMBERS

VIII. ANNOUNCEMENTS

If you have questions on the agenda items or need additional information, please contact Patti Castro, Director, at (510) 259-3843 or email pcastro@acgov.org.

Members of the public who wish to address the WDB may do so during the PUBLIC FORUM or at the time an Agenda item is discussed. Sign-up cards are available at the rostrum.

These WIOA Title I financially assisted programs or activities are “Equal Opportunity Employers/Programs”. Auxiliary aids and services are available upon request to individuals with disabilities.

If you require specific accommodation due to a disability, please call Sheroza Haniff, Board Secretary at (510) 259-3842 at least 72 hours in advance.

NEXT WDB MEETING IS THURSDAY, MARCH 14, 2019
Chairperson Ong called the meeting of the Alameda County Workforce Development Board (WDB) to order at 9:05 AM on Thursday, September 13, 2018. A quorum was present.

ITEM I.B. – MINUTES OF ALAMEDA COUNTY WDB QUARTERLY MEETING FOR MAY 10, 2018. A motion to approve the minutes was made by Abbott/Salem/carryed. Noted: corrected Jennifer Cogley’s name.

ITEM I.C. – CHAIRPERSON’S REPORT. Chairperson Ong announced the following:

- This is her first meeting as the Chair and she also introduced Bethany McCormick as the Vice-Chair.
- She attended the Meeting of the Minds conference in Monterey with ACWDB staff and B. McCormick. She reported that the work that the Workforce Development Boards are doing throughout the country is innovative and a lot of the presentations were about apprenticeships. She encouraged the Board members to let staff know if they are interested in attending future Meeting of the Minds conference.
- She welcomed new Board member, Jennifer Cogley from Bayer. She also announced that Nan Maxwell (Mathematica), another new member, will be joining at the December meeting.
- Thanked Paul Reyes for accepting the position of Chair for the Systems and Strategies Committee. Also thanked Brian Salem for accepting the position of Chair for the
Organizational Effectiveness Committee. Alex Baker will be returning as the Youth Committee Chair.

- She announced that new Board members are encouraged to consider joining a Committee.
- ACWDB received Certificate of Special Recognition from Representative Barbara Lee’s office and Supervisor Wilma Chan for supporting STEM Career Day.

ITEM I.D. – COMMITTEE CHAIRS’ REPORTS.

Brian Salem, Chair of the Organizational Effectiveness Committee, reported that the Organizational and Effectiveness Committee meeting was cancelled for August 2018 due to lack of agenda items.

Paul Reyes, Chair of the Systems and Strategies Committee, reported the following from the August 15, 2018 meeting:

1. Action items that were approved:
   - 2019 Committee meeting Calendar
   - Committee members selected Vice Chair John Torok
2. Presentation by Daniel Newell, Director, Ohlone College Tri-Cities Career Center program on the Tri-Cities Career Center new model
3. Discussion Items:
   - Regional and Local Plan Update
   - Survey results of RFP bidders attendees for Comprehensive AJCC Adult and Dislocated Worker RFP
4. Information Items:
   - WIOA mandated partners MOU update
   - Final report on Silicon Valley’s Ready-to-Work Initiative

Alexandria Baker, Chair of the Youth Committee, reported that the Youth Committee meeting was cancelled for August 2018 due to lack of agenda items.

ITEM I.E. – DIRECTOR’S REPORT. Patti Castro announced the following:

Administration:
- Rhonda Boykin completed her Executive Bootcamp with the California Workforce Association (CWA).
- Michele Garcia completed her Bay Area Social Services Consortium (BASSC) Program. Tamia Brown is the new BASSC nominee and will start soon.
- New Board Secretary, Sheroza Haniff will start on October 8.
- Sandy McMullan will retire in mid-October.
- Welcomed Karen Yan, Account Clerk.
- Quin Dovey will be back from maternity leave.
- Pooja Bhakta, Workforce Services Technician (WST), went to Staff Development. Delia Torres, the new WST will start soon.

Grants Update:
- ACWDB passed the Fiscal and Procurement Review by the State and staff is waiting on a report on the Storm Grant from the State.
- Staff gave the Executive Committee an update on our Local Regional Planning Guidance.
• The Regional Planning Unit submitted a plan for the Prison-to-Employment (P2E) Implementation Funds. Each local board will get about $20K to initiate collaboration in (P2E) at the end of August.
• Staff has been talking to the State Board about the Construction Pre-Apprenticeship Pipeline Demo Grant which is a partnership with the California Department of Corrections, the Building Trades Council, and the Probation Department on setting-up pre-apprenticeship training.
• ACWDB has a small grant from the Irvine Foundation that we were able to access through Mathematica Research. It’s a grant for the James Irvine foundation’s Better Careers Initiative.
• There’s an uptick in WARN notices for layoffs in certain industries so staff will be pounding out a grant application for additional assistance to serve laid off workers.

Legislative Advocacy:
• Staff met with Congresswoman Barbara Lee’s office in securing more federal WIOA funding and we’re working closely with California Workforce Association’s (CWA) on legislative committee on some of the policy priorities for the new Governor.
• Under our new Business Services model we had two steering committee meetings. Staff invited the Hayward Chamber and the Community Development Agency to cover things of interest for the small businesses in Hayward and the unincorporated areas.
• Patti was appointed to the CWA Executive Committee recently. Also, she’ll co-chair the Corrections Community Partnership’s Workforce Development Committee which will focus on performance measures and outcomes for AB 109 programs.

Events:
• The Employer Roundtable on Reentry is coming up on Sept 20. The private sector members of the Board have been invited to attend.
• Nominations went out for the EBEDA Innovations Award Ceremony. The ACWDB will be hosting a table at the event for the Board in 2019.

ITEM II - PUBLIC FORUM.

Chairperson Ong opened the public forum.

Lou Ramondetta, President of Surplus Service, a recycling and logistics company, spoke to express his concern as to why their application for customized services to be ISO certified was declined.

Chairperson Ong closed the public forum.
ITEM III – PRESENTATION.

Chairperson Ong introduced Honorable Charles A. Smiley from the Superior Court of California. He is the Presiding Judge of the Alameda County Juvenile Court. Outside of the courtroom, Judge Smiley has remained active in teaching, legal organizations, and various projects. He has taught law school at UC Hastings and Berkeley Law. Over the years, he has been a frequent instructor and in 2018 served as a member of the faculty for the state’s current judicial ethics program. Last year, Chief Justice Tani Cantil-Sakauye appointed him to the Power of Democracy Steering Committee, a statewide interdisciplinary effort led by the Chief and Justice Judith McConnell to promote quality civic education and engagement to California’s young people. He is a past president and director of the Earl Warren American Inn of Court and former board member of the California Association of Black Lawyers, the Charles Houston Bar Association, and the Wiley Manuel Law Foundation, Inc. He has been working with some of the Youth Committee Members and has been a big supporter of many programs that benefit the community in different ways. He mentioned that his goal has always been family reunification and the work that they do is achievable together with the other agencies like Probation, Social Services, and different community-based organizations.

ITEM IV.A. – 2019 ALAMEDA COUNTY WORKFORCE DEVELOPMENT BOARD MEETING DATES, TIME, AND PLACE. Chairperson Ong read the recommendation.
A motion to approve the quarterly meeting dates, time, and place as recommended was made by Salem/Baker/carried.

ITEM IV.B. – CONTRACT PERFORMANCE FOR PY 2018/2019. Chairperson Ong read the recommendation. Michele Garcia presented the item and gave background. On Page 11 of the packet, there’s a summary of the discussion from the Executive Committee with questions that were raised and how staff addressed them. On Page 12 is the summary of the contract performance goals for the providers for this year. Staff is proposing to serve 234 for the adult, 331 dislocated workers and 212 youths. It’s consistent with last year’s performance goals. This program year youth providers must have 100% of the youth enrolled in the program to have exposure to work-based learning activities and soft skill development.

Chairperson Ong opened the public hearing, and with no input, closed the public hearing.

A motion to approve the recommendations was made by Torok/Reyes/carried.

ITEM IV.C. – APPROVAL OF ALAMEDA COUNTY WORKFORCE DEVELOPMENT BOARD RECOMMENDED ANNUAL BUDGET FOR PY 2018/2019. The following members recused: B. Frazier, B. McCormick, C. Nnebe, B. Salem. Chairperson Ong read the recommendation. Jennifer Mitchell presented the item and gave background. In the final allocations, ACWDB has a 3% reduction in the WIOA funding. In addition, we have continuing success in applying and securing discretionary funding. On Page 15 are the planned revenues for PY 2018/19. Lines 1-17 layout the individual revenue streams that we receive. On the discretionary funds we have several discretionary funding that ended last year, and we have new
grants starting in PY 2018/19. We also have grants continuing from PY 2017/18 to PY 2018/19 programs. Overall, we are looking at $6.4M budget for PY 2018/19. Page 16 details where and how we are going to spend the WIOA Formula funding and discretionary programs. The Board will have a mid-year update at the December 2018 meeting.

Historically, what the ACWDB has done is bring to the Executive Committee the budget. ACWDB staff adjusts the budget and brings a revised budget back to the Board based on significant changes in additional revenue or expenditure patterns during the current year. There is currently no formal process in place for an overall expenditure reports to the Board. A member inquired if expenditure reports are brought before the Board. The WIOA funding allocations are based on formula. The funds come from Department of Labor (DOL) to the State based on formula and there is a percentage taken at the State that the Governor retains for discretionary programs. Then, the remainder of the funds are allocated to the Local Area based on formulas which depends on poverty rates and unemployment rates. The State develops their planning estimates based on the labor market available at that time, so they are using the March Labor Market Information (LMI) to release planning estimates in April. When they finalize and updated the LMI, this affects the formula and the final allocation. When unemployment rates go down and the economy is doing well, our funding tends to follow the same trend. What we’re then left at the local level, is how we use decreased resources to serve the people who are still left unemployed.

Chairperson Ong opened the public hearing, and with no input, closed the public hearing.

A motion to approve the recommendations was made by Baker/Cogley/ carried.

Vice-Chair McCormick and Chair Ong would like to look at the population of women that have barriers in employment. They proposed to form a group to brainstorm some solutions. They formed an Ad-Hoc Committee and the members are: J. Ong, B. McCormick, A. Baker, J. Cogley, J. Torok.

The meeting was adjourned at 11:15 AM.
ITEM III. PRESENTATION

DR. LEROY M. MORISHITA
PRESIDENT
CALIFORNIA STATE UNIVERSITY, EAST BAY

BACKGROUND:

Dr. Leroy M. Morishita has been President of California State University, East Bay (CSUEB) since 2011 but has had 29 distinguished years of service at San Francisco State University. He has served on several committees for the 23-campus university system during his career.

Dr. Morishita holds an Ed.D. in Administration, Planning, and Social Policy from the Harvard Graduate School of Education, an M.S. in Counseling from San Francisco State University, and a B.A. in Psychology from the University of California, Berkeley.

The Alameda County Workforce Development Board is honored to have Dr. Morishita share how CSUEB is preparing students to meet today’s labor market and societal challenges, the role of the University in our region, and some of his special initiatives or areas of focus e.g. Science, Technology, Engineering, and Math (STEM).

For more information, please contact Patti Castro, Director of the Workforce Development Board by email at pcastro@acgov.org or by phone at (510) 259-3843.
ITEM IV.A. – ACTION / PUBLIC HEARING

RETROACTIVE APPROVAL OF LOCAL AREA PERFORMANCE GOALS
FOR PY 2018/2019 AND PY 2019/2020

EXECUTIVE COMMITTEE RECOMMENDATION:

BACKGROUND:

Under the Workforce Innovation and Opportunity Act (WIOA), Local Area Performance Measures have been modified and now include for all WIOA Formula populations (Adults and Dislocated Workers and Youth):

1. Employment Rate at 2nd Quarter After Exit (Employment or Placement* for Youth);
2. Employment Rate at 4th Quarter After Exit (Employment or Placement* for Youth);
3. Median Earnings at 2nd Quarter After Exit; and
4. Credential Attainment within four Quarters After Exit.

*Placement for Youth in items 1. and 2. above include “Placement” in Employment, Education, Advanced Training, or the Military.

Under WIOA, the State of California (the State) has designated Regional Planning Units (RPUs) comprised of multiple Local Boards. The ACWDB is a member of the EASTBAY Works RPU which includes three other Local Areas (Contra Costa County, City of Oakland, and City of Richmond). The California Workforce Development Board (CWDB) is requiring RPUs throughout the State to propose regional goals for Measurable Skill Gains (MSG). MSG are intended to allow Local Areas to capture progress towards credential attainment and count it towards positive outcomes experienced by WIOA participants.

EXECUTIVE COMMITTEE DISCUSSION:

During the discussion for this item, the Executive Committee members discussed:

1. The accuracy of data collection methods
   • Staff responded that the predominance of the data is collected from the CalJOBS system and is dependent upon the reliability and accuracy of data entry; and
2. The difference between the WIOA Adult and Dislocated Worker Programs
   • Staff responded and clarified regarding the eligibility criteria differences between the two funding streams – and confirmed that services for the two different programs are identical.

The item passed unanimously.

Questions may be directed to the attention of Michele G. Garcia, MIS Administrator. Michele may be reached at (510) 259-3802 or by email at mggarcia@acgov.org.

Attachment IV.A.1.
ITEM IV.B. – ACTION / PUBLIC HEARING

UPDATE TO ANNUAL BUDGET – PY 2018/2019

EXECUTIVE COMMITTEE RECOMMENDATION:

That the Alameda County Workforce Development Board (ACWDB) approve an update to the Annual Budget for Program Year (PY) 2018/2019 for Workforce Innovation and Opportunity Act (WIOA) activities and services funded by WIOA Formula Allocations and Discretionary Grants.

BACKGROUND:

Each year the ACWDB approves an annual budget for the activities and services implemented in the Local Workforce Development Area (Local Area). At a minimum, the annual budget includes Adult, Dislocated Worker, Rapid Response, and Youth Formula funding allocated to the Local Area. Where applicable, the annual budget shall include other revenues under the direction of the Local Workforce Board. The budget addresses grant-source revenues and the projected Department and WIOA Program expenditures for the full program year of July 1, 2018 through June 30, 2019 (PY 2018/2019), as presented in the attachments to this Item.

At its September 2018 meeting, the ACWDB approved an Annual Budget for PY 2018/2019 that identified $5,194,864 in WIOA Adult, Dislocated Worker, Rapid Response, and Youth Formula funding, and $1,262,782 in Discretionary funding for a total of $6,457,646 in total revenue.

This Item presents a mid-year update to the Annual Budget to include revised Discretionary grant revenue and expenditure plans.

UPDATE to REVENUE for PY 2018/2019:

Discretionary Grants:

In September 2018, ACWDB received notification of an award of $95,000 from the California Workforce Development Board for the Prison to Employment project. This is a regional planning grant award to support collaborative development of regional partnerships and plans to serve the formerly incarcerated and other justice involved individuals. The planning period is October 1, 2018 through March 31, 2020, with project implementation funding expected to follow in PY 2019/2020. ACWDB will be the lead/fiscal agent for this regional partnership project.

ACWDB has also received a contract from Mathematica Policy Research, Inc. for $20,000 to participate in a research and evaluation project for the purpose of understanding employment and training program outcomes. The project is funded by the James Irvine Foundation and will use WIOA Adult and Dislocated Worker program participants as a comparative group for evaluating other employment and training program funded by the James Irvine Foundation. Project activities are planned to begin in Spring 2019.
**BUDGET DISTRIBUTION for PY 2017/2018:**

The Planned Expenditures detail (Attachment IV.B.2.) allocates the WIOA Formula Grant and Discretionary Grant funds for PY 2017/2018 according to planned services and activities for PY 2018/2019. This includes PY 2018/2019 approved awards to service providers.

**EXECUTIVE COMMITTEE DISCUSSION:**

The Executive Committee met and discussed this recommendation on November 28, 2018. Discussion included recent awards of discretionary funding for the Prison to Employment planning grant and the Mathematica Policy Institute program evaluation project and WIOA training strategies and expenditures. The item passed unanimously.

For further information, please contact Jennifer Mitchell, Program Financial Specialist, at (510) 259-3829 / email at: jennifer.mitchell@acgov.org.

15. TOTAL AVAILABILITY for PROGRAM YEAR | **$6,457,646** | **$6,572,646** |

### NOTES:

1. Includes Final PY 2018/2019 WIOA allocations for Adult, Dislocated Worker, Youth, Rapid Response and Layoff Aversion funding.

2. ACWDB awarded $250,000 for 6/1/18 through 12/31/19. Includes pro-rated revenue of $167,000 for PY 2018/2019.

3. ACWDB awarded $419,563 for 10/1/17 through 9/30/20. No direct grant funding for first year (planning year, 2017-18). Grant funding for ACWDB to begin 10/1/18.

4. Storm Grant funding term extended to 9/30/19, which allows access to additional revenue of $276,667 for PY 2018/2019.

5. Prison-to-Employment planning grant awarded 9/17/18 for $95,000 for 10/1/18 through 3/31/20. Planning grant to develop strategies and partnerships for implementation funding to be awarded in PY 2019/2020.

6. Mathematica Program Evaluation Study MOU for $20,000, funded by James Irvine foundation, to conduct research on WIOA Adult and Dislocated Worker program outcomes.

**NOTES:**

1. Includes Final PY 2018/2019 WIOA allocations for Adult, Dislocated Worker, Youth, Rapid Response and Layoff Aversion funding.

2. A minimum of 20% ($691,514) of WIOA Adult + Dislocated Worker formula funds must be spent on training. Total training expenditures must equal or exceed 30% of the total WIOA Adult + Dislocated Workers Formula Allocation. Up to 10% ($345,757) may be training dollars from other sources.
BACKGROUND:

Local Area Performance is negotiated with the California Workforce Development Board (CWDB) biennially. The Alameda County Workforce Development Board (ACWDB) has completed Local Area Performance negotiations for program years 2018/2019 and 2019/2020. These Local Area Performance goals were presented to the Executive Committee at their November 28, 2018 meeting.

Local Area Performance reports published through the State of California’s CalJOBS system still reflect Workforce Investment Act (WIA) performance measures and goals, but ACWDB staff have included annotations to reflect how those measures translate to Workforce Innovation and Opportunity Act (WIOA).

The Local Area Performance Measures, Goals, and actual performance attainments are not evaluated in “real time”. There is a minimum nine-month look back at participants who completed WIA/WIOA funded services.

ANALYSIS OF REPORTS:

Adults & Dislocated Workers:

As a system, ACWDB Adult and Dislocated Worker Career Service Providers have continued to perform well. As referenced in the attached report (Attachment V.A.1.) the ACWDB Adult and Dislocated Worker system has exceeded all goals for the period represented therein.

Youth:

ACWDB continues to exceed Retention Rate Goals for both Older and Younger Youth. However, Youth Service Providers continue to struggle with Degree/Certificate Attainments and Literacy/Numeracy Gains. ACWDB staff are continuing to work with Youth Service Providers to develop strategies that should improve attainments in these areas. These strategies were presented during the Youth Committee meeting as a Discussion Item at their November 5, 2018 meeting. Additionally, with the expansion of Local Area Performance to include the Measurable Skills Gains (MSG), Local Areas will be able to capture completion of training milestones, skills progression, and academic credits earned in addition to Credential Attainment and Literacy/Numeracy Gains.

Please contact Michele G. Garcia, MIS Administrator if you have any questions regarding Local Area Performance Reports. You can reach Michele at (510) 259-3802 or by email at mggarcia@acgov.org.

</table>
BACKGROUND:

The Alameda County Workforce Development Board’s (ACWDB) America’s Job Center of California (AJCC) and Sub-Regional Networks of Career Service Providers serve a significant number of job seekers through self-directed activities. These job seekers, who are not yet enrolled in any Workforce Innovation and Opportunity Act (WIOA) funded programs, are commonly referred to as “Universal Customers”.

Job seekers register themselves into the State of California’s career networking system (CalJOBS) and then take advantage of services: workshops, computers, and other universal services that are offered through ACWDB’s workforce resource system.

ACWDB has recognized that these universal services take both staff time and resources and should be tracked and reported as a statement to the level of services offered and traffic sustained through ACWDB’s workforce system. WIOA also encourages Local Areas to track the use of such services.

The CalJOBS system offers us the ability to report on the number of job seekers who reside within our Local Area and who utilize the online CalJOBS system to meet their job search and vocational training needs.

The attached report reflects the number of job seekers who reside within our Local Area and have registered within the CalJOBS system – as compared to the total number of unemployed individuals in our Local Area (based on Labor Force Data provided by California’s Labor Force Data for Cities, published in September, 2018).

For more information, please contact Michele Garcia, MIS Administrator at (510) 259-3802 or by email at mggarcia@acgov.org.

</table>

¹ Labor Force Data by Planning Area is based on California's Labor Force Data for Cities - March 2017 Benchmark; Published 09/21/2018
Cities within the Career Service Provider service area are factored together to obtain unemployment number and rate by Planning Area.
Unemployment Number = the number of employment eligible individuals that are unemployed
Unemployment Rate = the Unemployment Number divided by the Total Labor Force number.

Statistics for the City of Oakland are excluded from this data - but are included in comment ² “NOTE”.  

² Customers who were registered in CalJOBS categorized by their City of residence.

NOTE: There were an additional 100 job seekers who utilized services in our Local Area during this period, but who reside outside our service delivery area, and are NOT accounted for in this report.

³ % of Total Unemployed Labor Force Served = Total Individuals Receiving Services divided by Unemployment Number.

ITEM V.B.2. – REPORTS

CONTRACT PERFORMANCE INDICATORS REPORTS (CPIR)
ADULTS AND DISLOCATED WORKERS
PY 2018/2019; Quarter 1; (7/1/2018 through 9/30/2018)

BACKGROUND:
Effective July 1, 2017, Contract Performance measures for program year (PY) 2017/2018 were modified to reflect full compliance with the Workforce Innovation and Opportunity Act (WIOA).

The Alameda County Workforce Development Board (ACWDB) staff received Board approval at the September 13, 2018 meeting to move forward with implementation of the new measures and goals established for PY 2018/2019.

For PY 2018/2019, ACWDB continues to utilize the Industry Sector and Occupational Framework (ISOF) to measure the effectiveness of vocational training and sustainable employment opportunities relevant to this region of California. Effective July 1, 2017, ACWDB opted to include a requirement that all ISOF Tier I job placements pay a wage at or above the current minimum wage for the State of California (presently $11.00 per hour for businesses with 26 or more employees and at $10.50 for businesses with 25 employees or fewer.) – this requirement remains in effect for PY 2018/2019.

ANALYSIS OF REPORTS:
As a system, ACWDB Adult and Dislocated Worker providers have achieved the following progress as it relates to Contract Performance goals that must be attained by June 30, 2019:
• 28.6% and 23.6% of enrollment goals for Adults and Dislocated Workers, respectively;
• 20.1% and 10.1% of training expenditure goals for Adults and Dislocated Workers, respectively;
• 12.9% of the On-the-Job Training enrollment goal.

NOTE: The Entered Employment Rate, Job Placement Rate, and Credential Attainment Rate are all based on participants who have been Exited from WIOA services. Traditionally, Exits or Case Closures are minimal during the first quarter of the program year.

For more information, please contact Michele G. Garcia, MIS Administrator at (510) 259-3802 or by email at mggarcia@acgov.org.

**Is Anyone Better Off?**
BACKGROUND:

Under the Workforce Innovation and Opportunity Act (WIOA) legislation, Local Area Performance Measures include, for all WIOA Formula populations (Adults and Dislocated Workers and Youth):

1. Employment Rate at 2nd Quarter After Exit (Employment or Placement for Youth)
2. Employment Rate at 4th Quarter After Exit (Employment or Placement for Youth)
3. Median Earnings at 2nd Quarter After Exit
4. Credential Attainment within 4 Quarters After Exit

NOTE: “Placement” for Youth performance (specifically as referenced in items 1. and 2. above), is defined as placement in Employment, Education, Advanced Training, or the Military.

ANALYSIS OF REPORTS:

In-School Youth Innovation Program:

Beginning this program year, Soulciety became the sole provider for the In-School Youth Innovation Program. Soulciety serves primarily Eden Area In-School Youth but may serve In-School Youth from other sub-regions within Alameda County (excluding the City of Oakland).

Recruitment began in September, the beginning of the academic year-with the expectation that youth enrollments would begin in the second quarter of PY2018/19. Enrollments are lower than expected and staff is meeting with the provider to address contractual concerns and to provide technical assistance as needed.

Out-of-School Youth Future Force Program:

The Alameda County Workforce Development Board (ACWDB) has contracted three youth service providers for the Out-of-School Youth Future Force Program:

- Hayward Adult School
  Serving the Eden Area and unincorporated areas of Alameda County;
- Berkeley Youth Alternatives
  Serving the North Cities area of Alameda County; and
- La Familia Counseling Services
  Serving the Tri-Cities and Valley areas of Alameda County.

These three youth service providers are continuing their relationship with the ACWDB after having been contracted for youth services during the prior procurement cycle.

As a system, the Out-of-School Youth Future Force programs have attained 51.8% of their enrollment goal for this program year – which places these providers ahead of their target goals for the first quarter of PY 2018/2019.
Please contact Michele G. Garcia, MIS Administrator if you have any questions regarding Local Area Performance Reports. You can reach Michele at (510) 259-3802 or by email at mggarcia@acgov.org.

RAPID RESPONSE REPORT PY 2018/19

Due to ongoing Rapid Response activity, Item V.D.1., Rapid Response Report PY 2018/2019 will be submitted to the Workforce Development Board (WDB) as a handout on updated activity at the December 17, 2018 WDB meeting. Staff wanted to provide the most current information to the Board.
VI. A. – INFORMATION

PRISON-TO-EMPLOYMENT INITIATIVE

BACKGROUND:

In July 2018, the California Legislature approved $36 million from the General Fund to resource the Prison-to-Employment Initiative (P2E) proposed by Governor Jerry Brown. Funding for the P2E initiative is intended to support regional planning efforts, fund regional plan implementation, and provide resources for direct service to the formerly incarcerated and other justice-involved individuals. It also sets aside specific resources for both supportive services and earn and learn activities. The California Workforce Development Board (State Board) and the California Employment Development Department (EDD) made available approximately $1,750,000 in funding for collaboration and development of regional partnerships and planning activities to serve the formerly incarcerated and other justice-involved individuals in California.

The State awarded the East Bay RPU $95,000 for planning activities under P2E. The planning portion of the grant will span the next 11 months. The East Bay Regional Planning Unit (RPU) is comprised of four local workforce areas: Alameda County; the City of Oakland; Contra Costa County; and the City of Richmond. Of the four Local Areas, the Alameda County Workforce Development Board (ACWDB) will serve as the fiscal agent and lead workforce board for the P2E initiative. The implementation funding will be made available in 2019. Each local workforce board within the RPU is responsible for complying with the P2E planning as developed and agreed upon by the RPU.

The East Bay RPU has long been considered a leader in creating and implementing innovations in regional workforce development, with nationally recognized industry-sector partnerships and strong collaborations with education, labor, and community-based organizations. The region is excited to build upon this work and help those returning to the community from incarceration create new doorways and opportunities that will help them to fulfill the promise of the second chance that returning to the community offers.

The East Bay RPU will lead the charge, through stakeholder engagement, data analysis, customer experience feedback, collaborative planning, and articulated partnerships development. Additionally, the East Bay RPU partners will foster a regional system of coordinated service delivery and collaboration.

For further information, please contact Tamia Brown, Program Financial Specialist, at (510) 259-3884 or by email tamia.brown@acgov.org.
ITEM VI. B. – INFORMATION
ADVANCED MANUFACTURING DAY
AT CHABOT AND LANEY COLLEGE’S

BACKGROUND:
National Manufacturing Day (MFG Day) was observed during the first week of October and is a nation-wide effort to expose youth to the various opportunities in manufacturing. Due to its rapidly growing effort, MFG Day, also referred to as Advanced Manufacturing Day, has been extended throughout the month of October and November.

In support of MFG Day, many companies open their doors to its communities and local schools, allowing them to tour facilities and learn about production, design and operations. Local workforce boards, educational agencies, and economic development agencies hosted events or coordinated efforts with employers and organizations to create new energy around manufacturing introducing advanced manufacturing to inspire the next generation of makers.

The Alameda County Workforce Development Board (ACWDB) has been an active participant in MFG Day for the past four years, hosting MFG Day events in Hayward in partnership with Alameda County Office of Education (ACOE), at the Hayward City Hall and partnering with Ohlone College for their “Night of Science”.

The 2018 MFG Day was recognized in both October and November and included partnership with several schools, including our continuation schools, Eden ROP, Hayward, San Leandro, San Lorenzo and Alameda Unified School Districts as well as the chambers for each city. For Chabot College it was the Fourth collaborative event and Laney College hosted the first annual event for our R/4 schools. After students toured a manufacturing company, they were bused to each respective college to receive an overview of advanced manufacturing, treated to lunch, then given tours of different Career Technical Education labs.

Unique to this year’s effort was the inclusion of our local continuation/alternative education students from Lincoln, Royal Sunset and Brenkwitz schools all in the Eden Area in October, as well as Island Continuation school in Alameda for the November event.

Manufacturing employers opened their doors to these students to provide tours of their facilities and a firsthand experience on how modern manufacturing functions today.

The following schools were paired with the respective companies:

October
- Brenkwitz Northwood Design Partner – Union City
- Lincoln McIntyre – San Leandro
- Royal Sunset Santini Foods – San Lorenzo

November
- Island Semifreedi’s – Alameda
- Scandic Springs Inc. – San Leandro
Developing relationships with these companies will allow for continued outreach to provide ongoing experiences to these students such as:

- Guest speakers in the classroom
- Participation in Job/Career Fairs
- Workshops such as Interviewing Techniques
- Internships

The October MFG Day was held on Thursday, October 25th at Chabot College in Hayward. The November MFG Day was held on Thursday November 8th at Laney College in Oakland.

Both events went from 8:30 A.M. – 2:00 P.M. and provided work-based learning experiences for an estimated 300 students from our local school districts.

For more information, please contact Nancy Soto, Work-Based Learning Coordinator at (510) 259-3839 or by e-mail at nancy.soto@acgov.org.
BACKGROUND:

The Metrix Online Learning (Metrix) portal services are provided by NY Wired which was established to provide state and local governments, not-for-profits agencies, and corporations with innovative and affordable training programs and technology solutions. The training course content is provided by Skillsoft. Skillsoft provides cloud-based learning solutions for customers worldwide, who range from global enterprises, government and education customers to mid-sized and small businesses. This workforce training tool is flexible and easy to use online. Career Services Providers (CSP) can deploy online learning that successfully delivers clear and measurable results.

For PY 2017/2018, Metrix introduced the “Career Pathways Portal” (Portal). The Portal is designed to aggregate community resources, address skills gaps, and cost effectively align training with industry demands. Based on a Metrix assessment, individuals are placed in a targeted information technology pathway and receive a comprehensive training plan. Career pathways are customized based on the individual needs and employers’ input.

Training is divided into four skill levels: Foundation, Industry, Sector, and Occupation. The Metrix assessment identifies skills gaps, then provides automatic remediation while outlining clear training milestones. Completion of pathway milestones are rewarded through a progressive badging system that dynamically displays skills attained and highlights their transferability.

The Portal acts as virtual skills repository by seamlessly integrating online training, external training, formal education, and prior work experience. In efforts to boost usage, the Eden Comprehensive America’s Job Center of California (AJCC), has offered targeted workshops to include work readiness tips and certification programs as part of Metrix orientations. Individuals are awarded customized badges as they advance through training.

Employers will also be able to search and recruit skilled workers from the Portal talent database. Furthermore, the Portal provides opportunities for employers to participate in identifying the skill necessary to gain industry-recognized certifications. Employers may also assist in the skill-pipeline by agreeing to provide internships, apprenticeships or on-the-job training opportunities for clients who successfully pass training milestones within Metrix.

Usage Activity

Overall Metrix usage has increased in all areas during program year (PY) 2017/2018. There was a 146% increase in license distribution through Metrix. Additionally, active clients more than doubled their course completions and training hours compared to PY 2016/2017.

Metrix delivers the newest version to all end users of the ACWDB system. The new version provides access to new Career Pathways Tools (10 industries, 200+ occupations). Users now have the advantage to determine their skills gaps through skills assessments and get customized course recommendations. Metrix training will help them close the skills gaps and improve their job opportunities that lead to a career.

New this program year, ACWDB will be delivering Metrix to the Santa Rita Jail (SRJ) Job Center, leaving no participant out of the online skills gain opportunity. Metrix has been approved by jail administration, tested by IT, and soon staff will begin orientations to inmates. This is groundbreaking for NY Wired as this is the first time, nationwide that a jail has approved the Metrix Online Learning tool to be delivered to individuals while incarcerated. NY Wired has also worked with staff to set up custom programs for the SRJ population. These programs have been designed with custom curriculum tracks in different sectors. Staff/teachers will work closely with participants to provide mentoring and guidance.

Another noteworthy accomplishment to mention is that NY Wired has managed to successfully partner with Geographic Solutions the developer of California’s CalJOBS systems. Through this partnership, NY Wired will launch a pilot project with the California Employment Development Department (EDD) and Geographic Solutions. This pilot will enable end users to access Metrix through the CalJOBS system. In addition, several workforce development boards across the state will be teaming up to test this new integration and the virtual access to all users of the CalJOBS system. ACWDB will be participating in the test integration with the expectation that this will increase industry certifications at an affordable cost.

For further information, please contact Tamia Brown, Program Financial Specialist, at (510) 259-3884 or by email tamia.brown@acgov.org.
ITEM VI.D. – INFORMATION

BUSINESS SERVICES UNIT PERFORMANCE MEASURES
PY 2018/2019

BACKGROUND:

At the December 14, 2017 Workforce Development Board (WDB) Committee meeting, the Board approved the adoption of a new business engagement model to be implemented by the Alameda County Workforce Development Board’s Business Services Unit (BSU) in PY 2018/2019. In the new model, the BSU continues to provide services such as customized training and rapid response activities to employers while also assuming the role of “intermediary” to internal and external partners to better coordinate employer-focused services throughout the County.

Transitioning to the new model requires assessing the type of data the BSU wants to collect to effectively measure performance around providing services to Alameda County businesses. To this end, at the May 10, 2018 meeting the Board approved the collection of baseline data both internally, and from employer-facing partner organizations that make up the Alameda County Business Engagement Team (ACBET) including the Employment Development Department (EDD), East Bay Economic Development Alliance (EBEDA), Workforce Benefits Administration (WBA), and the Community Development Agency (CDA) for PY 2018/2019. The Board also approved the modification of five (5) general performance measures for the BSU to report on for PY 2018/2019.

At the Organizational Effectiveness (OE) Committee meeting on April 11, 2018, members requested that progress reports on the data collected be presented to the OE Committee in PY 2018/2019, with an initial report in the fall. This Information Item serves as the first progress report.

BUSINESS SERVICES PERFORMANCE MEASURES:

1. Board Approved Measures:
Since transitioning to the new business engagement model in July 1, 2018, BSU staff has been collecting data on the five (5) performance measures that were modified from BSU measures from the previous program cycle (2013-2018). These measures continue to be relevant goals according to ACWDB priorities and are being tracked in both CalJOBS and through a shared Google Document within the BSU. The approved measures are as follows:

<table>
<thead>
<tr>
<th>Measure</th>
</tr>
</thead>
<tbody>
<tr>
<td>Serve 15 new businesses</td>
</tr>
<tr>
<td>Provide services to 12 small businesses</td>
</tr>
<tr>
<td>Enhance Rapid Response/Layoff Aversion services to generate 5 additional business relationships through the use of the EconoVue research tool, business assistance to employers, and training support to employers</td>
</tr>
<tr>
<td>Build local and regional collaboration with industry, trade, economic development and other business-oriented partners</td>

Please see Attachment VI.D.1. *Alameda County Workforce Development Board’s Business Services Unit Performance Indicator Report: PY 2018/2019: 1st Quarter; 7/1/2018 through 9/30/2018* for performance to date.

2. **Baseline Data to be Collected by BSU:**
In addition to providing ongoing data on Board approved measures, the BSU has begun to collect baseline data on additional measures that reflect the impact of working collaboratively with the ACBET and other employer-facing agencies. The measures aim to demonstrate how outreach to employers has been conducted in a more strategic and systematic manner across ACBET partners, and three major publicly funded programs. These measures include:

- Collaborative Events with ACBET Partners
- Presentations at Employer-Focused Convenings
- Information ACBET Has Shared Through Their Channels
- Overall Employer Referrals (e.g. On-The-Job Training referrals to Career Services, referrals to other resource providers, etc.)

3. **Performance Measures of ACBET Partners:**
At the same time, BSU staff has begun conversations with ACBET partners around conducting an inventory of the types of performance measures they report on and identifying areas of alignment in data collection and technology. Collecting this information will avoid duplicative efforts across agencies and help the BSU identify gaps in collecting information that they could potentially fill.

Initial conversations on metrics began at the ACBET meeting in August 2018 and staff expects the information to be collected by spring 2019. Data to be collected in PY 2018/2019 will include:

- Types of performance measures partner agencies utilize for interfacing with businesses
- Systems or technology partners use to track data to assess alignment
- Use of the CalJOBS system and benefit to partners
- Assessment of partner capacity and area of special focus

4. **Proposed State Measures:**
In June 2018, EDD sent out a Draft Directive on Performance Guidance for WOIA Title I and III Programs, outlining three proposed “Effectiveness in Serving Employers” measures. The three measures are:

- Retention with the Same Employer
- Repeat Business Customers
- Employer Penetration Rate

The measures are designed to comprehensively gauge how well the State is serving employers. Data from the core programs will be aggregated to produce one state-level figure.

Based on feedback to the Directive from the Workforce Development Community, including from ACWDB, the State is reconsidering the effectiveness of the measures and will inform the
community when a decision is made. The State has unofficially responded that the community will be asked to report on repeat business and perhaps contribute a measure of their own choice.

For further information, contact Samantha Miller, Program Financial Specialist at (510) 259-3832 or email samiller@acgov.org.

ITEM VI. E. – INFORMATION

REGIONAL AND LOCAL PLAN UPDATE

BACKGROUND:

Local Workforce Development Boards (LWDBs) are required to develop and submit a four-year Regional Plan and four-year Local Plan to the State Board (State), in alignment with the Workforce Innovation and Opportunity Act (WIOA). LWDBs are also required to submit modified plans at the two-year mark, to incorporate new state requirements.

The Four-Year Regional Plan generally communicates information about regional initiatives and priorities of Regional Planning Units (RPUs), while the Four-Year Local Plan reflects the unique features of programs, corresponding goals within a specific local area, and the needs of participants.

REGIONAL AND LOCAL PLAN 2016:

In late 2016, Alameda County Workforce Development Board (ACWDB) staff worked closely with Public Consulting Group (PCG) to coordinate a local planning process. The effort included stakeholder planning sessions, program participant focus groups, and employer surveys. The local planning process in 2016 built off the goals and ideas developed by ACWDB members at their retreat in November 2016.

The development of the Regional Plan was coordinated by the EASTBAY Works Coordinator and facilitated by PCG, in conjunction with the four LWDBs in the East Bay (Alameda County, Contra Costa County, Oakland, and Richmond). In a similar fashion, the Regional Plan required planning sessions as well as accurately reflecting regional workforce development strategies and activities in the East Bay Regional Planning Unit (EBRPU). The Regional and Local Plans went through a series of approvals:

1. ACWDB approved the Regional and Local Plans at their meeting in March 2017;
2. The Alameda County Board of Supervisors (BOS) approved both plans at their meeting in May 2017;
3. ACWDB’s Local Plan received the maximum score and was approved by the State Board in May 2017;
4. The State Board approved the Regional Plan in June 2017.

REGIONAL AND LOCAL PLAN - TWO-YEAR MODIFICATION:

The State released a final directive in late July 2018, outlining new requirements to include in the two-year modification process. LWDBs are required to include four new partnership agreements with specific agencies to address the workforce development needs of the following populations:
<table>
<thead>
<tr>
<th>Target Population</th>
<th>Primary Partner Agency</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. CalFresh Employment &amp; Training (E&amp;T) participants</td>
<td>Alameda County Social Services Agency</td>
</tr>
<tr>
<td>2. Child support participants</td>
<td>Department of Child Support Services</td>
</tr>
<tr>
<td>3. English Language Learners (ELL), foreign-born individuals, and Refugees</td>
<td>Alameda County Social Services Agency</td>
</tr>
<tr>
<td>4. People with intellectual or development disabilities</td>
<td>Department of Rehabilitation</td>
</tr>
<tr>
<td>5. Re-entry/justice-involved individuals*</td>
<td>California Prison Industry Authority and the Corrections and Community Partnerships</td>
</tr>
<tr>
<td></td>
<td>administered by the Alameda County Probation Department</td>
</tr>
</tbody>
</table>

*A new partnership agreement to serve justice-involved individuals will be included in the modified Regional Plan.

The process to update the Regional and Local Plans also requires robust stakeholder engagement with the adult schools, community colleges, employers, community-based organizations, providers, and clients. Overall, the process is multi-layered and includes the following activities:

**Phase 1 – Introductions**
Facilitate formal introductions with new partners.

**Phase 2 – Regional and Local Planning Sessions and Efforts**
Plan, coordinate, and launch into planning sessions with new partners and various stakeholder groups, using various methods for engagement in the process.

**Phase 3 – Local Partnership Agreement Draft**
Work closely with new partners to draft local agreements with the purpose of working collaboratively to serve new target groups.

**Phase 4 – Public Comment Period**
Plan, coordinate, and launch into a 30-day public comment period once agreements are drafted to garner and incorporate feedback from the public.

**Phase 5 – Approvals**
Plan and coordinate the approval processes. Regional and Local Plans must receive approval from ACWDB members, the BOS, and the State Board.

**SYSTEMS AND STRATEGIES COMMITTEE DISCUSSION:**
Staff presented the Regional and Local Plan update as a discussion item to the Systems and Strategies Committee on November 14, 2018. Committee members were specifically asked to share their thoughts and ideas about launching an employer survey to include in the process.
Committee members shared their perspectives, noting that the employer survey should aim to reveal the following information:

1. Best practices used by employers to hire people from different target groups;
2. Employer willingness and perceptions in hiring from different target groups;
3. Regulatory and other concerns and considerations in hiring from different target groups; and,
4. The types of support services available on-the-job for workers requiring specific supports.

Some members also expressed interest in tapping into their own employer networks to help share the survey once it’s drafted. Staff ensured members that the survey will be shared with them to facilitate greater survey participation.

**UPDATE:**

To date, ACWDB staff has successfully met with the new partners and completed four Regional and Local Planning (RLP) sessions across Alameda County, in partnership with the Oakland Workforce Development Board (OWDB), and the EASTBAY Works Coordinator. Other ACWDB staff also assisted in helping to ensure the RLP sessions were a success, by helping to sign-in visitors and taking notes at the table discussions.

New partners also joined the effort in a meaningful way, delivering presentations of their respective programs, which greatly helped in driving participant interest and engagement in the process. Approximately 60 people participated in the RLP sessions that took place between October 26, 2018 and November 5, 2018.

Staff has also consulted with new partners to determine the feasibility of launching client surveys, and many partners have expressed interest down-the-road. Staff is in process of developing an employer survey and plans to launch the survey in early December. Lastly, staff has begun to draft and share the new partnership agreements, in alignment with the feedback generated at the RLP sessions. (See Attachment VI.E.1- Overview of the Two-Year Local Plan Modification Timeline for more information).

Staff will continue to keep committee members updated on progress made with new partners. For more information, please contact Latoya Reed, Management Analyst at (510) 259-3833 or by email at: latoya.reed@acgov.org.

ITEM VI.F. – INFORMATION
CERTIFICATION OF THE EDEN AREA COMPREHENSIVE AMERICA’S JOB CENTER OF CALIFORNIA (AJCC) - UPDATE

BACKGROUND:
On May 10, 2018, the Alameda County Workforce Development Board (ACWDB) approved the certification of the Eden Area Comprehensive America’s Job Center of California (AJCC). Under the Workforce Innovation and Opportunity Act (WIOA) local Boards are required to certify their Comprehensive AJCCs every three years, by conducting an independent and objective evaluation. ACWDB had retained a consultant to conduct the evaluation.

There are two levels of certification - Baseline and the Hallmarks of Excellence. The Baseline certification focused on compliance with WIOA statutes and regulations and was successfully submitted by ACWDB staff to the State in December 2017. Within the Hallmarks of Excellence, there are a total of eight measures concentrated on continuous improvement through identifying the Comprehensive AJCC’s strengths, as well as areas where improvements could be recommended. For a successful certification, the AJCC must receive a ranking of 3 or better on a scale of 1 to 5 in each hallmark.

At the Organizational Effective (OE) Committee meeting in April 2018, the ACWDB consultant presented the results of the evaluation. The Comprehensive AJCC met the standards for Hallmarks of Excellence in each category with a score of 3 or better. The ranking definitions are as follows:

3 – Have a satisfactory amount of the hallmark in place for the majority of the time.
4 – Significantly meeting the hallmark with room for improvement.
5 – Achieving and excelling at the hallmark.

Below is a summary of the rankings:

<table>
<thead>
<tr>
<th>Eden Area Comprehensive AJCC Summary of Rankings</th>
</tr>
</thead>
<tbody>
<tr>
<td>The Hallmarks of Excellence</td>
</tr>
<tr>
<td>-------------------------------</td>
</tr>
<tr>
<td>1. The AJCC’s physical location and facility enhances the customer experience</td>
</tr>
<tr>
<td>2. The AJCC ensures universal access with an emphasis on individuals with barriers to employment</td>
</tr>
<tr>
<td>3. The AJCC actively supports the One-Stop system through effective partnerships</td>
</tr>
<tr>
<td>4. The AJCC provides integrated, customer-centered services</td>
</tr>
<tr>
<td>5. The AJCC is an on-ramp for skill development and attainment of industry-recognized credentials which meet the needs of targeted regional sectors and pathways</td>
</tr>
</tbody>
</table>
6. The AJCC actively engages industry and labor and supports regional sector strategies through an integrated business service strategy that focuses on quality jobs

7. The AJCC has high-quality, well-informed, cross-trained staffing

8. The AJCC achieves business results through data-driven continuous improvement

Total Ranking for Hallmarks of Excellence: 4

**UPDATE:**

The certification process also included a continuous improvement plan of over 18 goals covering program years 2018-2020. The ACWDB staff will meet with Eden Area Comprehensive AJCC/Rubicon Programs on a quarterly basis to review goals and discuss progress. On November 16, 2018, ACWDB and Rubicon Programs staff met and discussed the status of improvement goals. For the two goals with the October 31, 2018 due date, Rubicon Programs requested an extension to the end of the year. It is anticipated that the remaining improvement goals will be completed by December 31, 2018.

Below are the following goals with the corresponding hallmark through December 2018:

<table>
<thead>
<tr>
<th>Hallmark</th>
<th>Action</th>
<th>Agency</th>
<th>Due Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>2</td>
<td>Make the Limited English Proficiency Plan available in Alameda County threshold languages.</td>
<td>ACWDB &amp; AJCC</td>
<td>December 31, 2018</td>
</tr>
<tr>
<td>3</td>
<td>Update the partner services inventory and review or update quarterly.</td>
<td>AJCC</td>
<td>October 31, 2018</td>
</tr>
<tr>

</tr>
<tr>
<td>1</td>
<td>Ensure addition of Eden Area AJCC signage on the third floor.</td>
<td>ACWDB</td>
<td>December 31, 2018</td>
</tr>
</tbody>
</table>

The certification process and updates reside with the OE Committee, but the Systems and Strategies (S&S) Committee will also be informed of the continuous progress the Comprehensive AJCC makes in accomplishing improvement goals.

For more information please contact, David Dias, Career Center Coordinator at (510) 780-8768 or through email at david.dias@acgov.org.
BACKGROUND:
The Alameda County Workforce Development Board (ACWDB) hosted its first Re-Entry Employment Roundtable at the Eden Area Multi-Service Center in Hayward on September 20, 2018. The purpose of the Re-Entry Employer Roundtable was to allow employers who have hired re-entry individuals in the past to share their successes and obstacles and for the ACWDB to gather feedback from employers on how to better prepare re-entry individuals for employment.

The ACWDB assembled an employer panel consisting of the East Bay Economic Development Alliance, SAS Automotive, the Building and Trades Council, and the Youth Food Project. The panel was moderated by Corey Rennel of Core Foods. The event highlighted guest speaker Captain Marty Neideffer from the Alameda County Sheriff’s Office and offered breakout sessions allowing employers to engage in one-on-one dialogue with table moderators. The event concluded with a presentation from Phil Hernandez of the National Employment Law Project.

Over 40 employers attended the Re-Entry Employer Roundtable. Participants were given the opportunity to provide event feedback to the ACWDB. The overall feedback from employers was very positive. Employers were presented a total of eight statements and asked to rate them from strongly agree to strongly disagree. The survey included four additional questions with fill-in responses, that consisted of the following:

1. What was the most/least relevant part of the roundtable for you?
   • Answers included sharing and hearing experiences of hiring re-entry employees and discussing those experiences with other employers.
2. What changes would you recommend for a more productive roundtable?
   • The most common reply was attendees felt the event wasn’t long enough.
3. What topic/area did you want to have included that was not addressed?
   • Suggestions for additional topics for future events included discussing living wages and inviting other employers that are working with re-entry employees.
4. What three actions do you plan to take based on the information you learned today?
   • For this question, attendees wrote about their plans to share the information they received from the Re-Entry Employer Roundtable as well as networking with other employers hiring re-entry personnel.
**UPDATE:**

The ACWDB in partnership with Alameda County Human Resources Services will host a follow-up Re-Entry Employer Event in January 2019. The event will take place in the Eden Area at a location to be determined. Employers who either attended or were invited to the previous event, as well as additional employers will be invited. The January 2019 event will include additional testimonials from individuals that have hired re-entry individuals as well as guest speakers and information sessions.

See survey questions and results compiled on Attachment VI.G.1

For more information, please contact David Dias, Program Financial Specialist at (510) 780-8768 or email at david.dias@acgov.org.
