**WARN**

The Worker Adjustment Retraining Notification (WARN) protects employees, their families, and communities by requiring employers to give a 60-day notice to the affected employees and both state and local representatives prior to a plant closing or mass layoff. Federal WARN is applicable only to employers with 100 or more full-time employees. California WARN is applicable to a covered establishment with 75 or more employees full or part-time. *Due to the impact of COVID-19 and the evolving status of companies and their layoffs or closures, the information provided on this report is dynamic and subject to change. Please contact ACWDB with any specific questions. **New entries have been bolded for your convenience.***
