WARN

The Worker Adjustment Retraining Notification (WARN) protects employees, their families, and communities by requiring employers to give a 60-day notice to the affected employees and both state and local representatives prior to a plant closing or mass layoff. Federal WARN is applicable only to employers with 100 or more full-time employees. California WARN is applicable to a covered establishment with 75 or more employees full or part-time. *Due to the impact of COVID-19 and the evolving status of companies and their layoffs or closures, the information provided on this report is dynamic and subject to change. Please contact ACWDB with any specific questions. New entries have been bolded for your convenience.*
