## **ITEM III.A. – ACTION / PUBLIC HEARING**

### **FINDINGS TO CONTINUE MEETING BY TELECONFERENCE**

#### **RECOMMENDATIONS:**

That the Alameda County Workforce Development Board (ACWDB):

1. Reconsider the circumstances of the state of emergency issued by the Governor due to the COVID 19 pandemic.
2. Find that state or local officials continue to impose or recommend measures to promote social distancing.
3. Find that on September 28, 2021, the County Board of Supervisors (BOS or Board) adopted the Health Care Services Agency Director's recommendation that the BOS implement social distancing for its meetings.
4. Find that the same reasons stated by the BOS, the same rationale also applies for the meetings of the ACWDB and its committees.

#### **BACKGROUND:**

Since March 2020, social distancing measures were implemented for all meetings of the BOS and Board Committees, a compliance measure during the state of emergency to combat the spread of COVID-19. On September 28, 2021, based upon the recommendation from the Health Care Services Agency Director, the BOS took the appropriate action as required by Assembly Bill No. 361 (AB 361) which amended the Ralph M. Brown Act (Brown Act). This amendment relaxed the Brown Act's teleconferencing requirements to allow public meetings to convene virtually on the condition that the required findings be ratified every 30 days by the appropriate legislative body. With this action, the ACWDB and its committees may continue to do as follows:

- To meet virtually
- The members of the ACWDB/committees do not have to be physically in the County during the meeting
- Their locations do not have to be on the notice as a teleconference site
- A video or phone call in line needs to be identified on the agenda for the public to access and participate in public comment
- All actions taken by the ACWDB/committees must be done by roll-call voting
