

Community-Centered Service Planning Request for Quotation Questions & Answers

Questions submitted March 25th-March 28th, 2024

- 1. Question:** If possible, could you please share an estimate of the funding available to support this scope of work?
Answer: We do not have a funding estimate or budget range available. We will evaluate the quotes we receive and seek the best value.
- 2. Question:** How many job seekers/youth to be interviewed? Any particular target populations?
Answer: This is negotiable and we want to see what organizations can offer. Quotes may include the proposed numbers of stakeholders interviewed.
- 3. Question:** How many businesses to be interviewed? Will staff provide the contact info for those to be contacted?
Answer: See response for #2.
- 4. Question:** What is the anticipated budget range for the project?
Answer: See response for #1.
- 5. Question:** What are the "key stakeholder groups" for engagement referenced in the Scope of Activities item #1?
Answer: Community members, job seekers including adult, dislocated workers, and youth, as well as businesses.
- 6. Question:** What are the "key priority sectors" referenced in the Scope of Activities item #4?
Answer: Priority sectors are both industry sectors and occupations that are projected to provide opportunity growth within Alameda County. See Industry Sector and Occupational Framework (ISOF)—[AB 20-01](#)
- 7. Question:** Are there any sort of minimum performance expectations? I.e. "Engage XX number of job seekers, Engage XX number of businesses", etc.
Answer: See response for #2.
- 8. Question:** If two consultant candidates that specialize in different industry sectors submit strong proposals, do you see an opportunity to connect the candidates to partner together for this project?
Answer: We are seeking one quote from one provider to carry out the scope. We do not anticipate having funding for both.
