

## **ITEM VII.B. – REPORTS**

### **YOUTH CONTRACT PERFORMANCE INDICATORS REPORTS** **PY 2023/2024; QUARTER 2 (JULY 1, 2023 THROUGH DECEMBER 31, 2023)**

#### **BACKGROUND:**

In alignment with the Workforce Innovation and Opportunity Act (WIOA) legislation, Local Area Performance Measures for all WIOA Formula populations (Adults and Dislocated Workers and Youth) include:

1. Employment Rate at 2<sup>nd</sup> Quarter After Exit (Employment or Placement for Youth)
2. Employment Rate at 4<sup>th</sup> Quarter After Exit (Employment or Placement for Youth)
3. Median Earnings at 2<sup>nd</sup> Quarter After Exit
4. Credential Attainment within four Quarters After Exit
5. Measurable Skill Gains

Note: “Placement” for Youth performance (specifically as referenced in items 1 and 2 above), is defined as placement in employment, advanced training, post-secondary education, or the military.

Toward our Local Area Performance goals, Alameda County Workforce Development Board’s (ACWDB) contracted service providers for youth and young adults have goals written into their contracts for the following performance measures:

1. Number of new enrollments
2. Number of participants enrolled into:
  - a. Work-Based Learning activities
  - b. Core skills/Leadership activities
  - c. Training activities that lead to credential attainment
3. Credential attainments
4. Youth placements reported at case closure
5. Measurable Skill Gains

#### **ANALYSIS OF REPORTS:**

##### **In-School Youth (ISY) Innovation Programs:**

Both ISY service providers have nearly reached their enrollment goals for this program year. Eden Area ROP has achieved 97.5% of their goal; and Tri-Valley ROP has met their enrollment goal. Training enrollments remain low for both providers, but this is standard as they usually hold off with training enrollments until after their participants complete training and provide proof of credential attainment. Additionally, once WIOA participants are exited from services, toward the end of the academic school year, their Measurable Skill Gains and Credential Attainment numbers will increase.

Out-of-School Youth (OSY) Future Force Programs:

Performance numbers have been modified for the North Cities OSY provider due to a delay in the contracting process. Berkeley Youth Alternatives (BYA) will have a 6-month contract this program year which officially began on January 1, 2024. As a result of the shorter-term contract, enrollment goals were decreased as were the number of carry-in enrollments that were allowed to count toward PY 2023/2024 enrollment goals.

The other two OSY providers, La Familia and Ohlone College have reached their enrollment goals for this program year.

Please review the attached report for contract performance attainments in other areas.
