I. OVERVIEW OF THE WORKFORCE INNOVATION AND OPPORTUNITY ACT

The WIOA of 2014 is designed to help job seekers access employment, education, training, and support services to succeed in the labor market, as well as to match employers with the skilled workers they need to compete in the global economy. The workforce system is designed to be customer-focused on meeting both the needs of businesses for skilled workers, and in assisting individuals in easily accessing information and services needed to begin and manage their careers.

The Alameda County Workforce Development Board (ACWDB) is charged with developing and maintaining a workforce development system under the WIOA in the local workforce area. The Alameda County Local Workforce Development Area (Local Area) includes all of Alameda County outside the city of Oakland. In addition to legislated responsibilities under the WIOA, ACWDB plays a major role in a variety of key state, local and regional initiatives.

The ACWDB is an active member of *EASTBAY Works*, a regional partnership and collaboration among the Workforce Development Boards (WDB) of Alameda County, Contra Costa County, and the cities of Oakland and Richmond. Through joint regional projects in the East Bay Regional Planning Unit, Career Services Providers will be required to provide on-ramps to high-growth regional industries articulated in the regional plan.

II. Alameda County Workforce Development Board Request for Proposal Summary

The Alameda County Workforce Development Board (ACWDB) is requesting proposals for the in-person and virtual delivery of employment and training services under the Workforce Innovation and Opportunity Act (WIOA) Title I program in the Alameda County local workforce area, outside the city of Oakland. Under this Request for Proposals (RFP), ACWDB seeks responses from experienced organizations with the capacity to act as a Targeted Career Service Provider (TCSP) to deliver career services to a priority population of clients who would also be considered Adults and Dislocated Workers under the WIOA program.

Eligible applicants are organizations with experience providing employment and training services to a targeted/specific population, with wrap-around services and relevant partnerships in place to address the specific barriers and needs of the population to be served.

Specifically, this RFP provides \$175,000 for service delivery to organizations that propose to serve Adults, Dislocated Workers, or a combination of both populations. No more than three grants in the amount of up to \$175,000 each will be awarded for a one-time funding opportunity, starting on July 1, 2025, and ending on June 30, 2026. Contracts may be extended contingent upon contract performance and availability of funds. Funding amounts included in the RFP are estimates only and are subject to federal, state, and local budgetary decisions. All funding under this RFP is contingent upon ACWDB’s receipt of WIOA funds.

ACWDB is also seeking responses to two separate RFPs for WIOA service delivery as -- Sub-regional Career Services Providers and another for the operator of the America’s Job Center of California (AJCC). Applicants may submit no more than one response of the three RFP opportunities being issued in 2024 for Adult and Dislocated Worker services for implementation in July 2025.

ACWDB reserves the right to make unilateral modifications to this RFP to address changes at the federal, state or local level. All questions should be directed to ACWDB@acgov.org.

This RFP is available on the [ACWDB website](#).

IV. STATEMENT OF WORK

A. INTENT

ACWDB intends to award organizations that can establish clear capacity to engage and support individuals who are a part of a defined priority population as they look to realize career and employment goals. Population-specific support should emphasize educational, physical and mental health, social and other needs as well as employment and career interests of the targeted population, with clear evidence of effective approach resulting in positive outcomes.

It is the intent of these specifications, terms, and conditions to describe the services and strategies solicited under this RFP. Up to three applicants will be awarded funding as TCSPs.

Awards will be for a 12-month contract period (with the opportunity to extend contingent upon availability of funds and contract performance) to up to three successful bidders whose responses conforms most closely to this RFP and meet the Alameda County contracting requirements.

The ACWDB seeks applicants to act as TCSPs within Alameda County.

B. AVAILABLE FUNDING AND PERFORMANCE PERIOD

ACWDB anticipates that up to \$175,000 in WIOA funding will be available for a 12-month contract period, per awardee. Contingent upon ACWDB’s annual WIOA Title I Formula funding allocations, the contract period is anticipated to begin July 1, 2025 and end on June 30, 2026. The contract may be extended, based on several factors, including, but not limited to contract performance measures, available WIOA funding and geographic distribution.

The successful bidder will be responsible for providing Targeted Career Services within Alameda County, outside of Oakland. In addition to showcasing capacity, programing, and/or partnerships in place to serve the intended targeted population, bidder must ensure they can effectively provide WIOA Career Services to eligible Adult and/or Dislocated Workers.

C. SCOPE OF THE TARGETED CAREER SERVICES PROVIDER

ACWDB envisions the Targeted Career Services Provider (TCSP) to customize their approach to a priority population that faces unique and specific challenges, or barriers, to obtaining and retaining gainful employment. Populations may include, but are not limited to, re-entry individuals, refugee/immigrants, unhoused or homeless individuals, veterans, English language learners, people with disabilities, or other populations that service providers can demonstrate face unique challenges and/or barriers to employment and would benefit from WIOA services.

1. Targeted Career Services Provider

The role of the TCSP to provide WIOA career services to targeted priority population/s in addition to a variety of other wrap-around services that are specific to the unique needs of the population. WIOA career services include the creation of an individualized employment plan (IEP), comprehensive case management, documentation of job seeker's progress within IEP, delivery of supportive services, resource referrals, job-search support and/or placement, and follow-up services for 12 months following case closure. More information on WIOA services is available in the section below titled "WIOA CAREER SERVICES FOR ADULTS AND DISLOCATED WORKERS".

Job seekers often report the need for specific supports according to their particular situation and/or community. As such, the TCSP should provide responsive services that are relevant and supportive of their targeted population. Such services may include referrals to other agencies and programs serving the intended population, mental health and/or health services intended to support individuals' progress and self-sufficiency, training programs or partnerships in place to provide effective work experiences that are responsive to population needs, referral opportunities for services such as childcare or other responsive supports, as well as any other supports deemed necessary for the intended population.

The TCSP will also have the capacity to deliver virtual services, as needed, to clients. Virtual services are designed to increase access and availability of services to area job seekers. Virtual services will include, but not be limited to the following:

- Client case management
- WIOA orientation
- Workshops (resume, interview skills, networking, etc.)
- Networking opportunities and virtual job fairs/events
- Wrap-around supportive services/referrals

2. WIOA CAREER SERVICES FOR ADULTS AND DISLOCATED WORKERS

WIOA Career Services are designed to meet the demand for consistent, high-quality education, employment, and training services. Respondents must describe how they will ensure that these services are provided:

- a) **Universal Basic Career Services.** Basic career services are universally accessible and available to all individuals seeking employment and training services in the local area. Generally, these services require less staff time and attention and include services such as: use of computers for job search activities, eligibility determinations, initial skill assessments, labor exchange services, provision of information on programs and services, and program referrals, and other general career services.
- b) **Outreach and Recruitment.** Outreach and recruitment activities will be aimed at informing the public at large, local communities, job seekers, employers, and partner organizations about services available through the workforce system in Alameda County. Outreach and recruitment efforts must be targeted and accessible to ACWDB priority populations, including street-level outreach aimed at informing community groups directly of services. Outreach methods should include efforts to “meet jobseekers where they are”.
- c) **Eligibility and Enrollment.** The successful respondent will determine participant eligibility for WIOA Adult and WIOA Dislocated Worker programs, in accordance with federal, state and local eligibility requirement and guidelines. All required eligibility documentation must be completed and received prior to participant enrollment into WIOA programs.
- d) **Participant Case Files.** Complete physical case files and/or electronic case files must be maintained for each WIOA program participant in accordance with ACWDB requirements. Case files will be stored securely and in full compliance with EEO, confidentiality, and other applicable rules and regulations.
- e) **Individualized Career Services.** Individualized Career Services must be provided to all enrolled WIOA Adult and WIOA Dislocated Worker participants. Generally, these services involve significant staff time and customization to each individual’s need. Individualized career services include services such as: Targeted assessments, developing an individual employment plan, counseling, work experiences (including transitional jobs), etc.
- f) **Case Management.** Comprehensive case management services must be provided to WIOA program participants throughout their enrollment in WIOA program activities. Case management services may include, but are not limited to the following activities:
 - i. **Objective Assessment.** All participants enrolled in WIOA Adult and WIOA Dislocated Worker programs must receive a comprehensive, Targeted assessment of skill levels and service needs of a participant. The assessment may include diagnostic testing or other assessment tools, and in-depth interviews and evaluation to identify employment barriers and appropriate employment goals.

- ii. **Individual Employment Plan.** Each WIOA program participant must have an Individual Employment Plan (IEP) to identify the participant's employment goals, appropriate achievement objectives, and appropriate combination of services for the participant to be able to achieve his/her employment goals, including providing information on eligible providers of training services and career pathways to attain career objectives.
- iii. **Training Services.** Provide access to training services for WIOA Adult and WIOA Dislocated Worker program participants as part of the participant's IEP and refer participants to appropriate training services. The selection of training services, including occupational training such as ITAs and OJTs, must be conducted in a manner that maximizes customer choice, is linked to Industry Sector and Occupational Framework and career pathways aligned, is informed by the performance of relevant training providers, and is coordinated to the extent possible with other sources of assistance.
- iv. **Participant-related Payments.** Supportive services, stipends, and other participant-related payments must be available to enrolled WIOA program participants who are unable to obtain supportive services through other funding sources. WIOA supportive services are limited to:
 - a) Transportation;
 - b) Work-related clothing, tools, equipment, or safety items not covered through training funds, training providers, other Supportive Services agencies, or employers;
 - c) Verification/Documentation;
 - d) Educational Testing (related to certifications and industry-recognized credentials)
 - e) Training Related Academic/Educational Materials (not covered through training funds, training providers, or other Supportive Services agencies)
 - f) Utilities; and
 - g) Needs-Related Payments.
- v. **Job Development & Job Referral.** Bidder will provide supply-side (job seeker) services and activities that address the hiring needs of employers. Employer partners should be committed to engaging in activities to support employment placement outcomes of participants. Supply-side services and activities will be provided in accordance with the ACWDB ISOF criteria.
- vi. **Follow-up Services.** Follow-up services must be provided for WIOA Adult and WIOA Dislocated Worker participants for up

to 12 months post exit. Follow-up services do not extend the date of exit in performance reporting.

C. WIOA PARTICIPANT ELIGIBILITY

Each of the formula funding streams under this RFP, (Adult and Dislocated Worker) has supplementary elements of eligibility that are specific to that stream. Once such criteria is priority of service for adult participants, explained in section E, below.

Awardees of this RFP will be responsible for adhering to all compliance requirements under WIOA and ACWDB policies.

An **Adult** applicant must at minimum be authorized to work in the United States, be 18 years of age or older at the time of application, be able to demonstrate residence or employment within Alameda County and be able to demonstrate compliance with Selective Service requirements, when applicable.

A **Dislocated Worker** applicant must meet all Adult criteria as well as specific eligibility requirements tied to their status as laid-off workers.

Please reference ACWDB Action Bulletins as follows for a complete understanding of WIOA eligibility:

- [Standard Local Eligibility Guidance \(AB 17-01 R2\)](#)
- [Adult Priority of Service \(AB 17-08 R3\)](#)
- [Dislocated Worker Eligibility \(AB 17-02\)](#)
- [Residency Policy Exception \(AB 17-07 R5\)](#)
- [Verifying Right to Work Status \(AB 17-05\)](#)
- [Selective Service Policy \(AB 21-03\)](#)
- [Self-Sufficiency Wage Threshold Policy \(AB 21-01\)](#)
- [WIOA Participation Cycle \(AB 21-02\)](#)

D. POPULATIONS SERVED

Bidders are required to research the communities in the region to demonstrate knowledge of local demographic and labor market information. This includes, but is not limited to, demographic variables such as income levels, employment status, culture, language spoken, educational level, ethnicity, and other factors such as homelessness and offender status.

The ACWDB is interested in providing services to all population groups in the Local Area, however, with limited resources the ACWDB places an emphasis on those job seekers who have multiple barriers to employment. Populations with priority for services include:

- **Veterans and spouses of veterans**
- **Refugee/immigrant population**
- **Individuals with disabilities**
- **Re-entry population**

- Homeless/Unhoused individuals
- Low-income individuals
- Women
- LGBTQ+ individuals
- First generation college students
- Long-term unemployed individuals
- Single parents
- Older individuals (Ages 55+)
- Department of Child Services involved individuals
- Recipients of Section 8 Housing vouchers

For more information: [ACWDB Action Bulletin 17-08 R 3](#)

D. COORDINATION OF SERVICES

The ACWDB undertakes efforts to support an integrated workforce system that is flexible, seamless, and responsible to the needs of both job seekers and employers. The role of the ACWDB is to advance the economic vitality of the Alameda County Local Area by developing and maintaining a high-quality workforce that is responsive to the local economic conditions. Developing and maintaining a high-quality workforce will be accomplished through the delivery of integrated workforce services, education, apprenticeships, and career/technical certificated training.

To advance the goals of the ACWDB Local Plan, the TCSP, and other partners as appropriate, will work collaboratively with the Comprehensive AJCC located in Hayward, CA. The TCSP will also work in collaboration with the ACWDB Business Services Unit, employers, adult schools, the community colleges, and other higher education partners, in their efforts to increase training and educational capacity and opportunities in order to promote an integrated workforce system. The TCSP will coordinate with designated providers involved with ACWDB’s special Dislocated Worker projects and/or any other discretionary grants that are administered by the ACWDB from time to time, as needed. The TCSP is expected to be flexible and responsive to the changes in the workforce and adapt services as needed.

E. LEVERAGED RESOURCES

Funds available under this RFP are to be used to leverage additional resources to support the ACWDB funded workforce efforts. **WIOA Title I funds are not intended to be the sole source of funding for the activities of the TCSPs.** Services funded through the WIOA are not sufficient to offer a complete range of services to job seekers. To efficiently use Title I WIOA funding and deliver services within the geographical region, it is necessary to leverage a wide range of public and private resources. Bidders’ must demonstrate leveraged resources of **25%** or more from any variety of funding sources. These leveraged resources must directly support the proposed program activities and must be documented with a Letter of Commitment.

Leveraged resources are defined as a contribution of non-WIOA funds made available to the bidders' to be used specifically for program activities

Leveraged Training Funds--Awardees will also be expected to facilitate the use of leveraged funds (10% of total funding) toward achieving ACWDB's training expenditure requirement (30% of total funding). Leveraged funds going toward training may include funding directly from training providers, employer contributions, etc., which may contribute to ITA, On the Job Training (OJT), and other training costs.

The WIOA funds awarded through this proposal may not be used to pay for WIOA-defined administrative costs. See Part IV-G for the detailed definition.

F. Industry Sector and Occupational Framework (ISOF)

The TCSP will provide programs and services within the ISOF. Job seekers will receive relevant certificates, degrees, and appropriate services to meet the needs of the priority industry sectors. Sector-based strategies must result in industry-recognized certificates or credentials. Skills training may include classroom/cohort training, apprenticeships, and OJT which are effective and responsive to meet the demands of the regional economy that affects the talent of the local labor pool.

Industry sector-based strategies align industry-relevant education with the specific workforce needs of employers to produce workers who possess skills and credentials that ensure they can secure and retain employment. Sector strategies offer a mechanism to focus scarce resources on employers in the Local Area facing skill and talent gaps, as well as to concentrate comprehensively on the workforce skills lacking in the regional economy.

The ACWDB adopted an Industry Sector and Occupational Framework (ISOF) for the Alameda County Local Area. The ISOF is a three-tiered hierarchal model that highlights growth and presence of industries and occupations in Alameda County over the next five years and includes occupational wage criterion. The ACWDB has adopted a policy related to the ISOF, one of which requires contracted service providers to use the ISOF as a tool to direct and guide workforce development activities. More information about ISOF can be found at: <https://acwdb.org/wp-content/uploads/2024/06/Action-Bulletin-23-01-ISOF-update-and-Quality-Jobs-rev-6-11-24.pdf>

G. PERFORMANCE MANAGEMENT

The TCSP will work closely with the ACWDB to achieve federal, state, and local performance goals and attain the prescribed standards for the delivery of services. ACWDB current Local Area Performance Measures and goals are found in the chart below. Performance Measure and Goals may be modified to remain in compliance with federal, state, and local requirements.

PY 2025-2026 Local Area Performance Goals		
Measures	Adults	Dislocated Workers

Measurable Skill Gains**	50.0%	50.0%

+ Median Earning as reflected by state wage information, or captured by CalJOBS system data-entry

** Measurable Skill Gains reflect progress or level attainment during participation in education, training, or credential program. (Reference: [ACWDB AB 20-08](#))

The TCSP will also be required to provide reports that reflect the numbers of universal clients served as well as the numbers and types of services they use.

H. DEBARMENT/SUSPENSION POLICY

In order to prohibit the procurement of any goods or services ultimately funded by Federal awards from debarred, suspended or otherwise excluded parties, each bidder will be screened at the time of RFP response to ensure bidder, its principal and their named subcontractors are not debarred, suspended or otherwise excluded by the United States Government in compliance with the requirements of 7 Code of Federal Regulations (CFR) 3016.35, 28 CFR 66.35, 29 CFR 97.35, 34 CFR 80.35, 45 CFR 92.35 and Executive Order 12549. The County will verify bidder, its principal and their named subcontractors are not on The Federal Debarred List, suspended or otherwise excluded list of vendors located at www.sam.gov; and bidders' are to complete a Debarment and Suspension Certification form, Exhibit D attached, certifying bidder, its principal and their named subcontractors are not debarred, suspended or otherwise excluded by the United States Government.

I. DELIVERABLES/REPORTS

The successful bidder is required to use CalJOBS to record and track client activities and program services. Reports generated from this system will be utilized to determine program performance by the ACWDB and the State of California. Knowledge of CalJOBS, accuracy and timely entry of information are critical. System training will be facilitated through the ACWDB, but it is the contractor's responsibility to ensure on-going staff expertise and

cooperation. An onboarding and ongoing training plan should be developed to address training needs for current and/or future staff.

In addition, the successful bidder may be asked to provide additional documentation or information not accessible through the online data management system to evaluate performance outcomes, as well as program strengths and weaknesses.

Additionally, each applicant may have the opportunity to attend an interview with the review panel to answer any questions the panel has regarding their proposal.

A proposal evaluation system, which includes a point system for rating each proposal submitted, will be used to review all proposals that meet minimum qualifications. This system will ensure uniformity in evaluating proposals and will identify the rationale for approval or disapproval. Each proposal will be given a score between zero and 100. A PROPOSAL MUST SCORE A MINIMUM OF 75 POINTS TO BE CONSIDERED FOR FUNDING.

Bidders' should bear in mind that any proposal that is unrealistic in terms of the technical or schedule commitments, or unrealistically high or low in cost, will be deemed reflective of an inherent lack of technical competence or indicative of a failure to comprehend the complexity and risk of the requirements as set forth in this RFP.

Bidders' are advised that in the evaluation of cost it will be assumed that the unit price quoted is correct in the case of a discrepancy between the unit price and an extension.

As a result of this RFP, ACWDB intends to award a contract to the responsible bidder whose response conforms to the RFP and whose bid presents the greatest value to ACWDB, all evaluation criteria considered. The combined score of the evaluation criteria is greater in importance than cost in determining the greatest value to the County. The goal is to award a contract to the bidder that proposes the best quality as determined by the evaluation criteria. ACWDB may award a contract of higher qualitative competence over the lowest priced response.

The basic information that each section should contain is specified below, these specifications should be considered as minimum requirements. Much of the material needed to present a comprehensive proposal can be placed into one of the sections listed. However, other criteria may be added to further support the evaluation process whenever such additional criteria are deemed appropriate in considering the nature of the goods and/or services being solicited.

Each of the following Evaluation Criteria below will be used in ranking and determining the quality of bidders' proposals. Proposals will be evaluated and scored according to each Evaluation Criteria. The scores for all the Evaluation Criteria will then be added together to arrive at a total score for each proposal. A proposal with a high total will be deemed of higher

quality than a proposal with a lesser total. The final maximum score for any project is one hundred (100) points.

The Evaluation Criteria and their respective scores are as follows:

H. **PROPOSAL REVIEW PANEL**

A preliminary review will be conducted by ACWDB staff to ensure that each proposal meets the minimum qualifications for proposal acceptance. An outside Review Committee will review and score each proposal that has met the Minimum Qualifications. The Review Committee may be composed of staff from other Local Workforce Areas that may have expertise or experience relevant to this RFP. The evaluation of the proposals shall be within the sole judgment and discretion of the Review Committee and will be based on the evaluation criteria set forth in this RFP.

All contact during the evaluation phase shall be through ACWDB staff only. Bidders shall neither contact nor lobby evaluators during the evaluation process. Attempts by Bidder to contact and/or influence members of the Review Committee may result in disqualification of bidder. The

Review Committee will evaluate each proposal meeting the qualification requirements set forth in this RFP.

I. **CONTRACT AWARD PROCESS**

ACWDB staff will present funding recommendations to the ACWDB for approval. Funding recommendations will include a summary of the Review Committee evaluations. Bidders' will be allowed a total of three (3) minutes during the public hearing to address the ACWDB regarding the specific funding recommendations being presented. A bidder may have the option to provide verbal testimony regarding the merits of its proposal and the reasons for consideration of funding. There is no requirement for any bidder to make a presentation to the ACWDB. Any presentation that is made **MUST** be an oral one and **CANNOT INCLUDE THE DISTRIBUTION OF WRITTEN MATERIALS**.

It is in the best interest of the bidders' to (virtually) attend the funding hearing and to be prepared to answer any questions that the ACWDB may have regarding the application package. ACWDB staff will send notices to each bidder regarding the recommendations being made as well as a confirmation of the date, time, and location for the ACWDB meeting. It is the responsibility of the bidder to confirm the date, time, and place of the meeting to assure attendance.

Once the ACWDB has made a funding decision and taken action to select the successful bidder, all bidders will receive written notification of the contract award recommendation by ACWDB staff. Notification will be provided via e-mail and by certified mail. The document providing this notification is the Notice of Intent to Award/Non-Award. The Notice of Intent to Award/Non-Award will provide the following information: 1) the name of the bidder being recommended for contract award; and 2) the names of all other parties that submitted proposals.

Upon completion of any bid protest/appeal, the ACWDB will approve the final contract award recommendation. If no bid protest/appeal is made, the ACWDB's decision to issue the Notice of Intent to Award/Non-Award is considered the final contract award decision of the ACWDB. The ACWDB will then submit the final contract award decision to the County Board of Supervisors, who approves and executes all contracts for the ACWDB.

Contracts will commence July 1, 2025 contingent upon availability of funds from the State of California. Grant awards will be conferred annually based upon the following criteria: provider meets contractual obligations; successful performance; and, determination of need and that any changes under WIOA authorization do not significantly alter operations, which would then impact this procurement. The ACWDB must formally approve the subsequent annual awards.

J. **BID PROTEST/APPEAL PROCESS**

The County and ACWDB pride themselves on the establishment of fair and competitive contracting procedures and the commitment made for following those procedures. The following is provided if bidder's wish to protest the bid process or appeal the recommendation to award a contract for this program once the Notices of Intent to Award/Non-Award have been

The bid protest must contain a complete statement of the reasons and facts for the protest.

The protest must refer to the specific portions of all documents that form the basis for the protest.

The protest must include the name, address, email address, fax number, and telephone number of the person representing the protesting party.

3. Upon receipt of written protest, the SSA Finance Director, or designee will review and evaluate the protest and issue a written decision. The SSA Finance Director, may, at his or her discretion, investigate the protest, obtain additional information, provide an opportunity to settle the protest by mutual agreement, and/or schedule a meeting(s) with the protesting bidder and others (as appropriate) to discuss the protest. The decision on the bid protest will be issued at least ten (10) business days prior to the ACWDB's final contract approval/appeal hearing date.

The decision will be communicated by e-mail and certified mail and will inform the bidder whether the recommendation to the ACWDB in the Notice of Intent to Award/Non-Award is going to change. A copy of the decision will be furnished to all bidders affected by the decision. As used in this paragraph, a bidder is affected by the decision on a bid protest if a decision on the protest could have resulted in the bidder not being the apparent successful bidder on the RFP.

4. The decision of the SSA Finance Director on the bid protest may be appealed to the ACWDB. All appeals must be submitted to the ACWDB Director, 24100 Amador Street, 6th Floor, Hayward, CA 94544. The bidder whose bid is the subject of the protest, all bidders affected by the SSA Finance Director's decision on the protest, and the protestor have the right to appeal if not satisfied with the SSA Finance Director's decision. All appeals to the ACWDB shall be in writing and submitted within five (5) business days following the issuance of the decision by the SSA Finance Director, not the date received by the bidder. An appeal received after 5:00 p.m. is considered received as of the next

business day. Upon receipt of a compliant appeal, the ACWDB Director will schedule a hearing with the ACWDB to hear the merits of the appeal.

The appeal shall specify the decision being appealed and all the facts and circumstances relied upon in support of the appeal.

In reviewing protest appeals, the ACWDB will not re-judge the proposal(s). The appeal to the ACWDB shall be limited to review of the procurement process to determine if there were material errors in the RFP process or, where appropriate, ACWDB or County policies or other laws and regulations.

- a. The appeal to the ACWDB also shall be limited to the grounds raised in the original protest and the decision by the SSA Finance Director. As such, a bidder is prohibited from stating new grounds for a Bid protest in its appeal.
 - b. The ACWDB may overturn the results of a bid process for ethical violations by ACWDB staff, selection committee members, subject matter experts, or any other County staff managing or participating in the competitive bid process, regardless of timing or the contents of a bid protest.
 - c. The ACWDB shall review the materials and conclusions reached by the SSA Finance Director and will determine whether to uphold or overturn the protest decision.
 - d. The decision of the ACWDB is the final step of the appeal process. The decision of the ACWDB will be furnished to the protestor, the bidder whose bid is the subject of the bid protest, and all bidders affected by the decision at the appeal hearing.
5. The County and ACWDB will complete the bid protest/appeal procedures set forth in this Section K before a final recommendation to award the Contract is considered by the ACWDB.

The procedures and time limits set forth in this paragraph are mandatory and are each bidder's sole and exclusive remedy in the event of bid protest. A bidder's failure to timely complete both the bid protest and appeal procedures shall be deemed a failure to exhaust administrative remedies. Failure to exhaust administrative remedies, or failure to comply otherwise with these procedures, shall constitute a waiver of any right to further pursue the bid protest, including filing a Government Code Claim or legal proceedings.
