HOPES OF COLLABORATION

- **Community Art**

- This project included a community art element. After engaging with local residents and artists to develop ideas for art installations and design themes, three different artists and art organizations took the lead on designing and painting a total of 13 utility cabinets along 8th Street between Pine Street and Market Street. The designs for these artworks have been approved by the [Public Arts Advisory Committee](#)

- **Environment & Sustainability**

- **Film Office**

- **Gateway Industrial District Maritime Services**
